III. 1   What did you like about the class?

I like that the class was professional. The instructor came prepared, he presented the information knowledgeably and provided opportunities for feedback.

III. 2   What didn't you like about the class?

It was often difficult to separate HTML from CSS.

III. 3   What improvements would you suggest?

I would suggest combining HTML5 and CSS3 into one class. Additionally, I would suggest that the class provide additional opportunities, e.g. homework or 'advancework', to cement concepts and skills.

III. 4   What other classes would you like to see offered?

There are no other classes I would like to see offered. However, it would be nice if the classes were offered at different times besides evenings so that I could take more than one class on Monday and Wednesday.

III. 5   What is (are) your reason(s) for taking this class?

I am taking this class for professional reasons.

IV. 1   How did you find out about this class?
