III. 1 What did you like about the class?

Custom Functions, Macros, Learning how to do drop down menus, importing from the web
--

Great pace, answered all the questions I had.

It exposed me to items I have never seen.

III. 2 What didn't you like about the class?

Nothing.

Not enough time or detail to fully understand to be able to duplicate outside of the classroom. However, I under there is a time constraint, so under that time, this was good.

III. 3 What improvements would you suggest?

None.
Make the class longer.

III. 4 What other classes would you like to see offered?

IV. 1 How did you find out about this class?
